

ORDER OF MALTA INTERNATIONAL CAMP EEBA, 2023 Waterloo

14/08/23

DAILY NEWS

Today's schedule offers a broad range of activities both on-site and off-site:

On-site, participants can refine their painting skills, among other activities. They will recreate Belgian masterpieces that will be displayed in our art gallery.

Don't miss this unique camp exhibition!

Others will explore the Belgian art of comic drawing with professionals, enhance their dancing skills, or immerse themselves in the art of hat-making.

Those venturing to off-site activities can get to know some of the most prominent animal residents of Belgium at Pairi Daiza, the elected best European zoo!

Some will deepen their understanding of one of Belgium's most iconic exports at a chocolate workshop in Brussels, by even crafting pralines themselves. Others will experience the excitement of the Walibi theme park or explore the world in miniature at Mini-Europe or from above through gliding!

The first international evening will provide an opportunity to share our day's adventures and highlights with others while discovering and savouring international cuisine presented by our national teams. The extra kilos gained from this culinary exploration can be danced off at the evening disco!
