Meet our guests!

Anna Lea Hofmann

Walibi was my best moment of the camp - I won the pepperoni at the first try. It's my 3rd camp, and I really loved this one.

Julien Chappelier

The old cars rally was my favorite moment of the camp. I was in a Porsche! The disco part was also one of my best moments. And I love the fact we had the opportunity to showcase our country, France.

It's my 4th camp and this one was my favorite.

Antoinette Tannous

The highlight of the camp was for me to see the different other nations, representing such a diversity! My best moment of the camp was Walibi and the boat trip in Anvers.

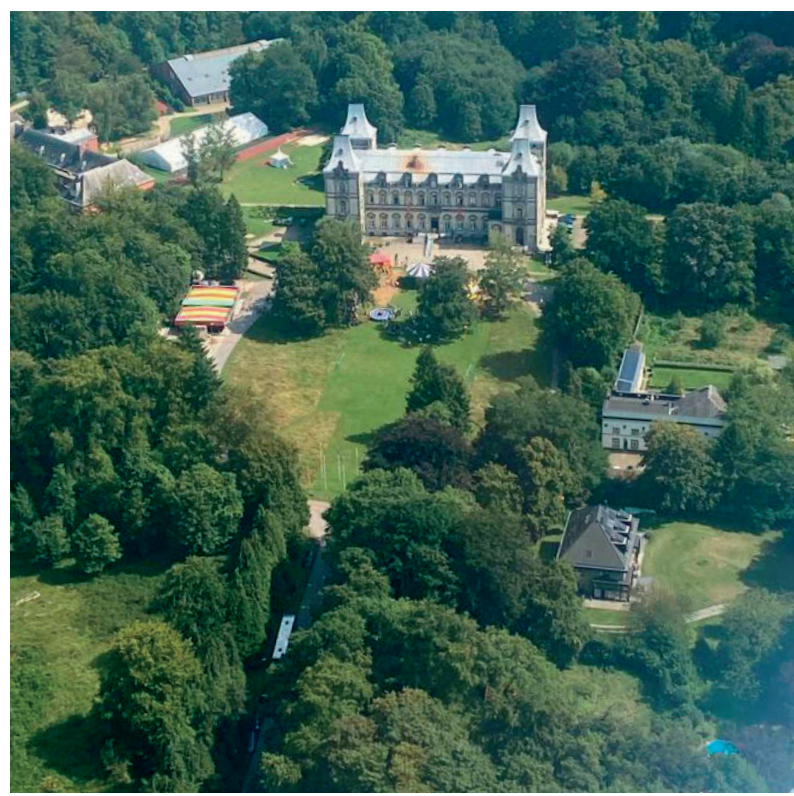

Ihor Reizner

I loved the ship tour in Antwerp. I was very proud to be here showcasing my country, Ukraine. It's my first camp and I'm very happy to be here. I look forward to being there next year!
